

LAWA EMERGENCY MANGEMENT TRAINING CALENDAR WEBSITE

Please take a moment to visit the website <http://vlaxiis05:92/EMD.aspx> to view emergency management training opportunities that is available to the airport stakeholders. Take advantage of these exciting and in-demand classes such as the CPR/AED training, Disaster Awareness Course, Department Operations Center (DOC) 101 training, and more. The classes will be presented by Los Angeles Fire Department personnel or by other subject-matter-experts in the field. Seating may be limited so register early.

How to use this website: Look for the training identifier on the respective calendar date. Place the cursor on it and the information will expand. Click on “more” and it will expand even further with greater detail. The “download” link is only an optional feature that will take you to the Meeting Request feature of your Outlook, if applicable. Visit the calendar regularly to view new training postings and possible changes to existing ones. The site also includes the monthly informational bulletin which is a great source of information on preparing for emergency incidents at home, work, and even while driving.

For questions, please contact Richard Chong with LAWA Emergency Management at rchong@lawa.org
