

**Full and partial closures on the I-405 Freeway July 31<sup>st</sup> to August 18<sup>th</sup>**

There will be full and partial closures on the I-405 freeway beginning the evening of Monday, July 31, to accommodate construction of a bridge for the Crenshaw/LAX Line light rail project by Metro. The nightly full and partial directional closures will be from 10 p.m. to 5 a.m. Monday to Friday. The freeway will be fully open during the weekends. The closure schedule is the following:

- **July 31 to Aug. 4.** The northbound lanes will be completely closed between Century and La Tijera boulevards
- **Aug. 7 to Aug. 11.** Partial closure of the north and south bound High Occupancy Vehicle (HOV) lanes and the 1 and 2 lanes
- **Aug. 14 to Aug. 18.** The southbound lanes will be fully closed between the La Cienega off-ramp and La Tijera on-ramp.

**Detours:**

- If traveling southbound, exit the 405 at the Florence/Manchester off-ramp, proceed south on La Cienega and return to freeway via the Olive Street on-ramp.
- Motorists heading to Los Angeles International Airport can remain on La Cienega to access Century Boulevard or re-enter the 405 freeway and use the westbound 105 freeway and Sepulveda Boulevard to reach LAX.
- If traveling northbound, exit at the La Cienega/Manchester off-ramp, turn left (west) on Manchester, turn right (north) on La Tijera and continue to the northbound 405 on-ramp.

Closure dates are tentative and subject to change based on construction progress and weather conditions. Please plan ahead and expect some delays. For questions or comments regarding this advisory please contact Landside Operations Manager, Richard Chong at [rchong@lawa.org](mailto:rchong@lawa.org)
