3. Automated People Mover: Guideway Milestone

- The Automated People Mover guideway is now 87% complete following the successful construction of the guideway over Century Boulevard
- This portion of guideway was constructed over four months using a cast-in-place segmental technique to minimize impacts to traffic and travelers on Century Boulevard and around LAX
- The same technique will be used to build the guideway over Sepulveda Boulevard in 2022
- Upon completion, the APM guideway will span 2.25 miles

Change is in the Air(port).

LAX WAY BETTER. REALLY.
