## 1. LAX CTA Holiday Construction Moratorium

- The LAX Christmas & New Year's Holiday Moratorium is currently in effect through Tuesday, January 3, 2023
- Construction activity will be limited during this time to alleviate potential impacts to guests during the busy travel season

## 2. Terminal 3: New Concession Open

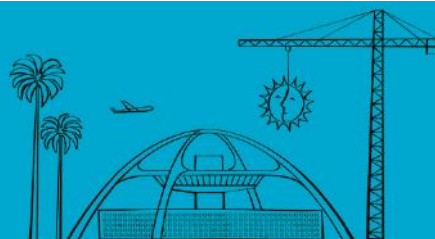

- Hudson Nonstop, a first of its kind contactless concession, has opened in Terminal 3
- Powered by Amazon's Just Walk Out technology, Hudson Nonstop allows guests to skip checkout lines for a faster shopping experience
- Guests enter the store, insert a credit card to the pay device, pick up their items (including travel essentials, food and beverage options), and exit without stopping to pay; cameras identify what products customers take off the shelves and charge their card as they exit the store
